

Forum Programme 17 March 2016

“Towards an Age-friendly Auckland / Tāmaki Makaurau: The missing links”

TIME	WHO & WHAT
9:30–10:00am	Registrations, coffee/tea whilst networking & exploring stalls
10:00–10:30	<ul style="list-style-type: none"> ▪ Māori blessing ▪ Welcome - Margaret Devlin (Chairperson Seniors Advisory Panel) ▪ Time travel guide for the day - Judy Blakey (Seniors Advisory Panel) ▪ Nation-wide age-friendly cities snapshot – Sarah Clark (Director, Office for Seniors Te Tari Kau Matua – within the Ministry of Social Development)
Please note:	Our invited speakers have prepared 20 minute presentations. Each presentation will be followed by an interactive 10 minute “Question and Answer” session.
10:30–11:00	Professor Paul Spoonley (Massey University) – <i>Demographic transformation: The ageing of Auckland / Tāmaki Makaurau and an age-friendly city</i>
11:00–11:30	Dr Marama Muru-Lanning (Senior Māori Research Fellow for LiLACS NZ) & Dr Ruth Teh (Senior Research Fellow) - <i>Health in older age: How lessons learned from the LiLACS NZ Study shed light on the impact of inequalities</i>
11:30–12:00	Adjunct Professor Mai Chen (Chair, Superdiversity Centre) - <i>Legal framework to challenge ageism, limit elder abuse and accommodate the impact of superdiversity on age issues</i>
12:00–12:45	Lunch & networking whilst exploring stalls (especially Olufunto Ijatuyi’s)
12:45–1:30	Anne-Marie Coury (President, Auckland Grey Power) will lead a panel discussion with five community members about prioritising actions to create an age-friendly Auckland. Panel members included: Robyn Barry (Bays Community Trust), Dr Tess Lieu (Auckland Council Strategic Broker), Professor John Raeburn (AUT), Nilima Venkat (Shanti Niwas)
1:30–2:00	Associate Professor Stephen Neville (AUT) – <i>Barriers and enablers to making communities liveable for older people</i>
2:00–2:30	Professor Shanthi Ameratunga (University of Auckland) – <i>Blind spots to tipping points: Shifting political priorities to create age-friendly communities</i>
2:30–3:20	<p>NEXT STEPS: YOUR opportunity to provide feedback!</p> <ul style="list-style-type: none"> ▪ Choose ONE of the four NEXT STEPS topics, and join that group discussion; ▪ Group members will first pool their diverse ideas on the topic; then sift through them all to prioritise one ingenious idea, with associated, achievable actions, to feedback; ▪ An action list will be compiled to share with ADCOSS’s community networks & the council.
3:20–3:30	Signing off – David Haigh (Deputy Chairperson, ADCOSS Executive Committee)

A shout out to the Kaipatiki Project (<http://kaipatiki.org.nz/news/>) for native plants to give to our speakers.

WHO Global Ageing and Health report: <http://www.who.int/ageing/events/world-report-2015-launch/en/>)

This forum (one in an on-going series <http://www.adcoss.org.nz/project/adcoss-forums/>) has evolved from a partnership between ADCOSS, Auckland Council, & the Seniors Advisory Panel.

Sponsors include Chen Palmer New Zealand Public and Employment Law Specialists, and the Superdiversity Centre for Law, Policy and Business.

Forum feedback sheet

The afternoon **NEXT STEPS** group discussions will focus on one of the following four topics:

- 1) The implications of planning for the current and future ageing of Auckland residents.
- 2) Aligning systems to address social inequalities in health outcomes in Auckland.
- 3) Frameworks to measure, monitor, understand and support healthy ageing.
- 4) Creating age-friendly environments.

Q1 How did you find out about this ADCOSS forum? (Please tick all that apply.)
